### EXPERIENCE

Elaine's global people development, coaching and facilitation experience ranges across the public and private sectors, commercial and not for profit organisations. Her diverse industry experience includes: Government, Finance, Education, Professional Services, Retail, Energy, Telecommunications, Mining, Communication, Fashion, Sport, Health and Travel. As a leader Elaine has a proven ability to recruit, motivate and develop high performing teams, to provide exceptional customer service and successfully deliver on key objectives.

Elaine is passionate about helping people navigate dynamic and complex environments. By building connection and trust, she strives to respectfully support and stretch clients to be courageous and achieve their goals. Elaine adapts her approach to each individual's context and encourages her clients to identify and leverage their unique strengths and characteristics. She enjoys helping people feel energised and connected to their purpose and also achieve a balanced life.

Elaine consistently enhances her practice and has a strong commitment to continuous learning and using evidence-based approaches.
