EXPERIENCE

Ken's coaching and career development qualifications and expertise underpin a results-focused approach.

Building on his early experience as an educator Ken went on to hold senior leadership roles in both the public and private sectors. He has extensive experience as a Human Resources Manager and has held executive level positions in large independent school environments as well as the Australian Institute of Management.

Ken has over 20 years' experience providing coaching services for a wide range of leaders working in government and the private sector. He coaches at the CEO, executive, senior and middle leadership levels. In addition to his coaching assignments, he develops and facilitates leadership workshops focussed on building high performance teams. Ken has also developed and run postgraduate courses in the areas of People Management, Career Development, Coaching, Managing Performance and Developing Others.

Ken employs a multi-theoretical approach to coaching include solution-focussed, positive psychology, ACT, Executive coaching with backbone and heart, and Whitmore's coaching for performance (GROW) model. Above all else Ken targets his approach to the particular needs of the client and is committed to empowering people to create their own pathways to success.
