EXPERIENCE

Mary's most recent role was the Director of the Student Support Centre at CQUniversity where she championed many projects that improved organisational outcomes. In this role she was responsible for over 30 staff and a multi-million dollar budget.

Mary's career includes many years as a counsellor, and provider of professional supervision working in the education and health sectors. Her skills include project management and research, and coordinating national research teams. She has particular strengths in harnessing systems, networks and communities to achieve organisational outcomes that maximise results from the available staff talent and resources.

Mary's coaching skills together with her background managing and mentoring diverse disciplinary teams helps her clients look at issues from new and different perspectives. Mary's broad experience and insight into leadership inspires deep learning with her clients and empowers them to focus action on the key areas to achieve work success.
